Weekend Watch: L.I.V.E.

Mila Koumpilova, The Forum Published Thursday, September 13, 2007

riday - The artists set to power the Plains Business Legislature Art Museum's pilot L.I.V.E. event are all restless souls, stubbornly defying neat, creative labels. The Friday night celebration of all things digital features nine individuals and acts from the area and beyond, all bent on

off-the-beaten track

event at the Plains Art Museum.

creative jaunts and crossover experiments. The electronic duo Insectoid from Iowa City blends sci-fi inspired digital sound with analog rock – and throws in throbbing visuals on TV screens and an alien-headed belly dancer. Jeff Zens of Moorhead, Work by Fargo musician, photographer and video game artist Dan Reetz will be featured in the inaugural L.I.V.E. otherwise known as Console Enemy,

runs his own music sequencing software off Xbox and Nintendo video game consoles. Fargo artist Nathaniel Booth creates visual narratives with video and objects he scavenges from Dumpsters. The Mila Koumpilova Archive event, for ages 18 and older, runs
